

Hi There!

Remember the movie, "Gorillas In The Mist"? Well, I will be a gorilla for a day participating in an event called, "The Denver Gorilla Run" on October 29th in downtown Denver.

I am raising funds for the Mountain Gorilla Conservation Fund and I'm asking you to help by making a contribution! Please use the link in this email to donate online quickly & securely. You will receive e-mail confirmation of your donation and I will be notified as soon as you make your donation. When making your donation please put my name as the person you are contributing for. Or text GORILLA to 85944 to donate \$10.

**Why are we doing this?**

MGCF needs to expand its veterinary program by educating local Ugandans and Rwandans to become veterinarians. The current facility at Makerere University, has outgrown itself and we need more room to further the education of locals to first, protect the mountain gorilla, then expand to other wildlife in Uganda and Rwanda. MGCF needs support in raising funds to build a new expansion that will provide new lecture halls and a wildlife museum to conserve gorilla remains for future studying. MGCF was the first in the world to ever build an "on location" vet center in 1986 for the protection of endangered animals. Since then, 20 expatriate veterinarians have served in the countries and now locals have been educated enough to take over and protect their own wildlife. This is a great thing for central Africa!

I thank you in advance for your support, and really appreciate your generosity!!
